

TRAVEL TRAILER

Shopping Guide

THERE'S A TRAILER *with your name on it*

After more than 85 years of creating iconic travel trailers, we've put together a family of options that's vast enough to have something for everyone. And we're here to help you find the one that's perfect for you and everything you've dreamed of doing with it. Take a look at the 3 ways each trailer stands out, plus 3 features you should definitely check out in person. Use this guide as a quick prep for a visit with your dealer, and an easy way to refer back to what you're looking for.

the CLASSIC

In one word: Home

It feels like home. That's what people say when they step into the Classic, one of our most historic nameplates. It's the best of both worlds: you can have everything and go anywhere.

3 ways it stands out:

- Perfect for long-term adventures or full-time living
- The most storage of any Airstream
- Radiant hydronic heating and continuous hot water flow

3 features to see in person:

- The 65" projection TV that rises out of the counter (33' model)
- The heated towel bars and shower floor
- The powered beds that raise and lower for extra comfort

the GLOBETROTTER

In one word: Modern

The Globetrotter has all the built-in modern quality of Airstream, taken to a beautiful new level. Seamless and sharp in every area, with all the right choices in fixtures and finishes.

3 ways it stands out:

- Our latest and favorite exercise in ultra-modern design
- European-designed modern fixtures
- Panoramic windows at the front and the back

3 features to see in person:

- The fingerprint-proof special curved cabinet doors and how they seamlessly hide clutter
- The stainless steel appliances that fit right into the style
- How comfortable the Tuft and Needle Adaptive Foam Mattress is

The **TOMMY BAHAMA** *Special Edition*

In one word: Relax

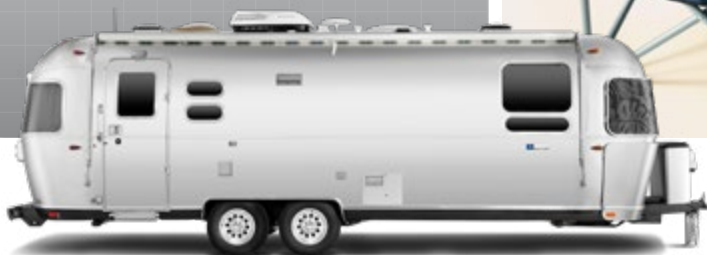

Both Tommy Bahama and Airstream share an appreciation for free-spirited life. And the Tommy Bahama Special Edition is all about taking easy living wherever you go.

3 ways it stands out:

- Distinct beach style that shows up everywhere
- Special window and door graphics
- Hardwood cabinet and closet doors in light and airy finishes

3 features to see in person:

- How open the rear hatch makes the whole trailer feel
- The exclusive Tommy Bahama accessories that come with the trailer
- The built-in bar and unexpected lighting surprises (try the doorbell)

the INTERNATIONAL

In one word: Sophisticated

It's an environment that feels as on-trend as it does timeless. Fresh design, upscale appliances and finishes, and premium features and details are everywhere you look in the International.

3 ways it stands out:

- Two distinct styles in one badge family: Signature & Serenity
- Some of our most luxurious choices in travel trailers
- Unique color combinations and accents

3 features to see in person:

- The backlit storage lockers and the earthy textures in the Serenity model
- The clean, modern lines and the Corian® countertops in the galley
- How spacious the rear bathroom option feels (23FB floorplan)

the FLYING CLOUD

In one word: Friendly

Family friendly. Adventure friendly. Relaxation friendly. The Flying Cloud is a light-hearted design with enough options to keep everyone happy and comfortable.

3 ways it stands out:

- Our most popular travel trailer
- The most floorplan options of any Airstream
- Curved, light and airy design

3 features to see in person:

- Bunk beds, convertible dinettes, and more sleeping options
- How the storage blends into the design and keeps clutter away
- Smart touches like light dimmers and surround sound

the SPORT

In one word: Smart

The Sport is nimble enough to help you get out there without having to rough it. We've planned every square inch to work hard to keep you comfortable and happy on any adventure.

3 ways it stands out:

- Our smallest travel trailer
- Our most affordable travel trailer, without compromising sophistication
- Entertainment and comfort features you just can't get with tent camping

3 features to see in person:

- The onboard bathroom: a shower, toilet, and sink
- The high-quality kitchen appliances and smartly organized galley
- How much you can fit in the upper and lower cabinets
