## Car-to-X Communication

By connecting with the over 70,000 Mercedes-Benz vehicles that have activated Mercedes PRO Connect, the Car-to-X Communication function learns about upcoming hazards along your route.

The Car-to-X Communication that Mercedes PRO Connect offers can warn you of upcoming fog, icy roads, and accidents along your route.

Safety while you travel is a paramount concern to Airstream as well as Mercedes-Benz and through Car-to-X Communications you can travel more safely by staying informed.

## Emergency Call System

We hope you never encounter an emergency during your travels, but in the event that you do, Mercedes-Benz through the Mercedes PRO Connect Emergency Call System has you covered.

Embedded sensors detect if your Airstream is in an accident, and automatically connect you to an emergency call center so that you get immediate assistance. If you are in need of assistance, but have not been in an accident, the SOS button can be pressed to connect you to Mercedes-Benz for additional help.

The last thing you want while traveling is an accident or emergency situation where you need assistance.

Having the peace of mind of the Mercedes PRO Connect Emergency Call System will put your mind at ease as you roll down the open road.

## Apple® CarPlay & Android® Auto

Staying connected while driving safely is a big concern. Mercedes PRO Connect integrates with Apple CarPlay and Android Auto to allow you to control apps and can assist you with making hands-free phone calls on your cellular phone.

Functions that allow you to listen and reply to text messages, and, to play your favorite music. Listen to podcasts from your phone and make your travels even more pleasant.

Whether you are an Apple or Android user, you will be equipped with all the tools to ensure you are safely reached while humming along to your favorite tunes in your Airstream Touring Coach.

## Smart Navigation

A heads up that you just passed the last fueling station for 50 miles, or that you missed the world's largest ball of yarn, would be helpful in the event that you need fuel or are a yarn enthusiast.

Mercedes PRO Connect's Smart Navigation provides you with important information along your route to enhance your trip. Information about fueling stations, fuel prices and weather updates will always keep you in the know as you cruise along your way in your Airstream.

The Smart Navigation for Mercedes PRO Connect will also ensure that you never miss a Point of Interest (POI) while you travel cross-country or down the road from home.

## Live Traffic Information

Pulling into the campsite after dark is never fun, especially when the back up along the highway could have been avoided with Live Traffic updates from Mercedes PRO Connect.

Real-time traffic updates will keep you on the fastest route as you head towards your destination. Avoid accidents and delays on the roadways to ensure that you always arrive exactly on-time.

Take as much stress and strain out of your travel as possible and enjoy Live Traffic updates from Mercedes PRO Connect in your Airstream.

## Voice Control

As Alexa or Siri can assist or answer just about anything, Airstream and Mercedes-Benz think that your RV should be able to do the same.

Introducing Voice Control from Mercedes PRO Connect. With a simple “Hey Mercedes...” command, you can control navigation, entertainment, phone calls and so much more.

Stay focused while you are driving, and let “Hey Mercedes” do the work for you.

Are you looking for a place to camp?

Just say “Hey Mercedes, where can I go camping near me?” Or is dinner time approaching but you aren’t sure where to stop for pizza? Just say “Hey

Mercedes, where can I find a pizza place nearby?”
