

TRAVEL TRAILER

Shopping Guide

THERE'S A TRAILER

with your name on it

After nearly a century of creating iconic travel trailers, we've put together a family of options that's vast enough to have something for everyone. And we're here to help you find the one that's perfect for you and everything you've dreamed of doing with it. Take a look at the 3 ways each trailer stands out, plus 3 features you should definitely check out in person. Use this guide as a quick prep for a conversation with your dealer, and an easy way to refer back to what you're looking for.

the CLASSIC

In one word: Home

It feels like home. That's what people say when they step into the Classic, one of our most historic nameplates. It's the best of both worlds: You can have everything and go anywhere.

3 ways it stands out:

- Perfect for long-term adventures or full-time living
- Smart Control Technology, giving you the ability to track and monitor the trailer from anywhere
- Radiant hydronic heating and continuous hot water flow

3 features to see in person:

- The 60" powered Smart HD projection TV with Bose Sound Bar (33FB floor plan)
- The heated towel bar and shower floor
- The powered beds that offers a high level of support and are designed for comfort

the **GLOBETROTTER**

In one word: Modern

The Globetrotter's built in Airstream quality is elevated with modern, sophisticated design. Bold choices in fixtures and finishes accent the seamless, minimalist style throughout.

3 ways it stands out:

- Two exclusive floor plans only featured in the Globetrotter line (23FB Twin & 30RB Floor Plans)
- The European-design elements and ultra-modern fixtures
- Award-winning finely woven HITCH fabric that is distinctive, durable, and resistant to stains

3 features to see in person:

- The overhead cabinets that resist fingerprints, illuminate when opened, and softly close when pulled shut
- A modern kitchen that features a deep sink, European faucet, Corian countertops, and premium appliances
- Ultra-flexible U-Section modular dinette in the 25FB and 27FB floor plans that adds seating and storage options

the **INTERNATIONAL**

In one word: Sophisticated

We like to call the International our boutique hotel on wheels. Its upscale design has universal appeal to anyone who loves good design and top-of-the-line features.

3 ways it stands out:

- Coastal-inspired light colors and distraction-free minimalist design
- Interchangeable Ultraleather options that provide a pop of color to the galley
- Spacious and backlit overhead storage with a cool tone reflective surface and frosted sliding doors

3 features to see in person:

- The seaside accents on the kitchen wall and dinette tabletop
- The chevron floor pattern that brings an added touch of luxury to the interior
- The special pop of color the striped awning adds to your campsite

the FLYING CLOUD

In one word: Friendly

Family friendly. Adventure friendly. Relaxation friendly. The Flying Cloud is a light-hearted design with enough options to keep everyone happy and comfortable.

3 ways it stands out:

- Light, airy, and open designs
- The most floor plans of any Airstream travel trailer (14)
- Flat, platinum gloss overhead storage doors with soft close hinges

3 features to see in person:

- Optional features like the front bunk bed or rear hatch
- The beautifully balanced countertop and dinette design pattern
- Smart use of storage space throughout the whole cabin

the **CARAVEL**

In one word: Clean

The revival of our historic Caravel model line is all about an upscale, modern interior and premium features that offer an upgraded travel experience.

3 ways it stands out:

- Upscale design with dark neutrals and warm woods
- Upgraded features that come standard
- Sophisticated residential fixtures

3 features to see in person:

- Stainless steel gas cooktop with raised cast-iron grates
- The design-forward pinstripe awning and optional matching window awnings
- QuietStream™ featured in a single axle travel trailer

the **BAMBI**

In one word: Efficient

The Bambi is nimble enough to help you get out there without having to rough it. We've planned every inch to work hard and keep you comfortable and happy on any adventure.

3 ways it stands out:

- Easy to pack, tow, and park
- The most affordable of our traditional travel trailers, without compromising sophistication
- Entertainment and comfort features with a touch of elegance

3 features to see in person:

- The onboard bathroom: a shower, toilet, and sink
- The high quality kitchen appliances and smart use of space
- Convertible eating, sleeping, and living spaces

the **BASECAMP**

In one word: Adventurous

It's our most ready-for-anything travel trailer ever. The Basecamp is the ultimate adventure vehicle, made for those who crave a day full of excitement and a comfortable place to crash at night.

3 ways it stands out:

- Completely unique interior and exterior designs
- Made to partner with your SUV or smaller truck
- Flexible living space with 7 bench configurations and open space

3 features to see in person:

- Large 26" x 46" rear hatch to load and unload large gear
- The Basecamp X-package that helps tackle even rougher roads
- Front U-Shaped Dinette (Basecamp 20)

READY TO TAKE THE NEXT STEP?

Pictures and features get the ball rolling, but we're sure you have some questions that need answering. There's no better place to turn than your Airstream dealer.
