MSR Hubba Hubba NX Review: The One-Tent Quiver

April 25, 2020 | By Bryan Doer

Mountain Safety Research's flagship backpacking tent got some big durability updates for 2019. We tested it around the globe for nearly a year. Does the MSR Hubba Hubba NX still live up to its storied name?

The Hubba Hubba tent series was introduced all the way back in 2002. It's been MSR's best-selling tent since. It's a freestanding, three-season, two-door, two-vestibule, lightweight backpacking tent. You can get it in one-, two-, three-, and four-person sizes.
