Key Points

- Notice that 20FB and 22FB feature generous bathrooms with standalone showers in the rear. The compact 16RB has a wet bath in the midsection.
- Check out the 20FB's wraparound rear galley and the 22RB's midsection galley. They offer added counter space and 4.1 cubic-foot refrigerators, up from the 3.1 cubic-foot unit in the 16RB, to support meal prep on longer adventures.
- The 16RB's convertible dinette is below the front panoramic window, making every meal feel like outdoor dining. The convertible dinettes in the 20FB and 22FB are set in the midsection, serving as the centers of activity. The 22FB's dinette has a roomy U-shape.
- All three models have abundant storage space. New for model year 2025, the Bambi 16's fresh water tank is now below the floor, and the electrical center is located under the roadside dinette seating, creating more under-bed storage.
- The 22FB features a 54" x 80" bed, which is larger than the 48" x 78" mattress in the 16RB and 20 FB.
