## Caravel Travel Trailer Floor Plan Comparison

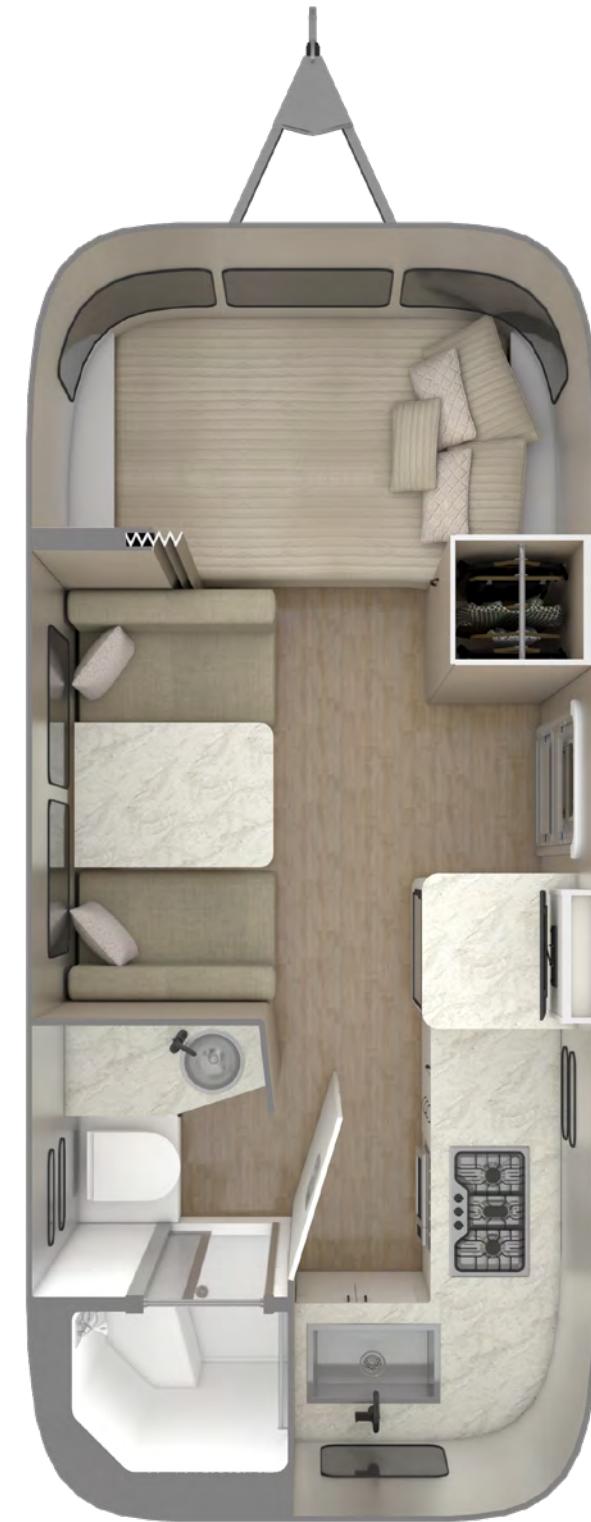

Caravel's three elegantly efficient floor plans pack all the comforts of home into smaller, single-axle trailers. Available in 16RB, 20FB and 22FB models, Caravel has everything you need, including the right amount of space for your adventure style, whether it's weekend getaways or open-ended journeys.

New for Model Year 2025, two new décor packages – Pebble and Driftwood – bring added warmth to the Caravel's living space.

### 16RB

Base Weight: 3,450 lbs.  
Exterior Length: 16 ft. 7 in.  
GVWR: 4,300 lbs.  
Sleeps up to 4

### 20FB

Base Weight: 4,100 lbs.  
Exterior Length: 21 ft.  
GVWR: 5,000 lbs.  
Sleeps up to 4

### 22FB

Base Weight: 4,050 lbs.  
Exterior Length: 22 ft. 2 in.  
GVWR: 5,000 lbs.  
Sleeps up to 4

## Key Points

- Notice that 20FB and 22FB both feature roomy bathrooms with standalone showers in the rear. The space-efficient 16RB has a wet bath in the midsection.
- The 20FB and 22FB support longer adventures with more room for meal prep. The 20FB's wraparound rear galley and the 22FB's midsection galley both offer added counter space and 4.1 cubic foot refrigerators, up from the 3.1 cubic foot unit in the 16RB.
- The 16RB's convertible dinette is located below the front panoramic window, adding a side of outdoor views to every meal. The convertible dinettes in the 20FB and 22FB are set in the midsection, serving as the centers of activity. The 22FB's dinette sports a roomy U-shape.
- Storage space is abundant in even the most compact Caravel.

Pebble

Driftwood

## Key Points

- Two new décor packages in Model Year 2025 deliver elegant neutral tones, with the only difference in the seating fabric color.
- Pebble features cream bedding and light grey seat cushions inspired by Caravel's nautical namesake with sandy tones and soft textures.
- Driftwood's soft, neutral tones call to mind the seaside while creating a serene and inviting atmosphere that shines both inside and out.

The solid, warm taupe accent-color laminate in the galley and the galley's overhead lockers ground the cabinets.

Waffle bedding and lumbar support pillows with shams of flecked chanel style tweed fabric.

The main wall and cabinetry laminate have the visual textile appeal of a herringbone fabric.

The chamfered seat backs feature an elegant pinstripe stitching detail.

Caravel's bench seats are covered in velvety Nissimi®, which is durable, stain-resistant, pet-friendly and easy to clean.

Interior colors reflect the natural light to create a warm and bright welcoming feel.
